## The National "Dress Up" Spirit Has Struck Town

Do you notice the new interest men are displaying in their personal appearance? A wave of worthy pride is sweeping over the country. It is here, and we merchants have thrown our doors open in an attempt to prove that the problem of men's attire is no longer a matter of mere dollars.

For instance, we are headquarters for

which are designed by one of the ablest fashion artists. The makers specialize on this quality throughout their great manufacturing plant. They concentrate in their buying. Therefore you can get all wool fabrics scientifically tailored, with the style of one of the talented designers, for only \$17.

The Dress Up movement is based on the fact that men feel well when they look well. The man who takes an interest in his dress takes more interest in his work. Nothing succeeds like success. And the first step towards success is to look the part.

Dress up! Take an interest in your appearance and the world will take a greater interest in you. Remember that we are headquarters for "style and quality at a medium price".

## ANOTHER SUICIDE YESTERDAY BY REVOLVER ROUTE

Gerald Eberman, Young New Yorker, Takes His Own Life While Despondent Over Failing Health.

Despondent over ill health, Gerald Eberman, a healthseeker of New York City, committed suicide Monday evening shortly after 5:30 o'clock by shooting himself in the temple with a .32-caliber revolver. He left no explanation for his rash act but at the coroner's inquest held this morning by Justice of the Peace George R. Craig, Dr. Cipes testified that the young man had several times announced his intention of ending his own life and that upon the last visit of the physician he said: "You will not see me again."

The coroner's jury returned the following verdict:

"State of New Mexico. We, the undersigned justice of the peace and jury who sat upon the inquest held this the fifth day of October, 1915, on the body of Gerald Eberman, found in Precinct No. 26 of the county of Bernalillo, find that the deceased came to his death by reason of the gunshot wound caused by a bullet fired from a .32 revolver fired by the deceased with suicidal intent. The verdict was signed by Justice Craig, Warren W. Seago, Jose F. Trujillo, D. H. Collier, John Wiedmeyer, J. Pence and J. O. Losay, foreman.

The dead man had been talking with several visitors a few minutes before he shot himself and they state that at that time he did not seem despondent. He wrote a poem shortly before he shot himself but this did not have any connection with his death. He did not mention in it that he contemplated ending his life.

The deceased came here six months ago for his health and since that time has been residing with his mother at 415 South Edith street. The mother was prostrated by her son's rash act. He was formerly very wealthy and is a college graduate. The funeral arrangements have not yet been completed.

The funeral will take place tomorrow afternoon at 2 o'clock at Strong Brothers' chapel. Rev. C. O. Beckerman will conduct the services. Interment will be in Fairview.

## LIFE-SIZE BUNCH OFF FOR ROSWELL LAST NIGHT

President and Secretary of  
Commercial Club Head Delegation Going to Pecos Valley  
Fair by Train.

Filled with enthusiasm to boost for  
the state fair which opens next week,  
as well as to make a "big noise" for  
the Pecos valley exposition, a delegation  
of local business men left last  
evening for Roswell to attend the fair  
now being held at that place. The  
local business men made the trip in  
a special Pullman coach and were  
headed by Clark M. Carr, president  
of the Commercial club. They expect  
to spend a couple of days at Roswell  
to take in the "ights" and mingle with  
the business men of that city.

The trip was made with a view to  
show the Roswell business men that  
Albuquerque is not trying to secure a  
monopoly on fairs and expositions.  
Roswell has promised to send a special  
trainload of Pecos valley residents  
to the state fair next week in appreciation  
of the visit of the local men.

Aside from the special Pullman  
about thirty local motorists made the  
trip from here Sunday and Monday.  
Among those who have gone to Roswell  
are Clark M. Carr, Tom Egan,  
J. P. Jacobsen, W. H. Andrew, Odie  
Dwyer, G. S. Rose, Max Nordhaus, J.  
M. Doolittle, G. L. Kile, M. M. Maisel,  
W. H. McNicol, Jesus Romero, Grover  
Devine, P. Cameron, Wilton Booth,  
G. L. Kaseman and others.
